29 October 2013

EXECUTIVE PRINCIPAL’S REPORT

For those of you who have not heard yet, Varsity College has been announced recently as an Independent Public School as of the start of next year. This is a great acknowledgement of the incredible systems and processes that we are using to build a quality learning platform at this school. Varsity College has a growing reputation both locally and internationally for the exceptional education program that is offered by this school. Many parents have asked about what this means for the average parent who just wants to be successful in their own school. The simple answer is very little. I will be detailing the possible opportunities for Varsity College at the next P&C meeting on the 13th November. I encourage as many parents as possible to attend this evening.

Last Thursday was the Varsity College Annual Awards night for senior students. As usual this evening was of exceptionally high quality with outstanding musical and dance acts punctuating a night of celebration as students from years 7-12 received awards for their academic performance and service to the Varsity College community. Many guests and parents spoke to me after the event to offer their congratulations on this exceptional night. I was absolutely thrilled with the evening and thank everyone involved in the preparation and organisation of the program. My special thanks must go to Tom Sullivan who took over the chief organising role for the first time and did an incredible job. Thank you also to the many parents who took the time to come and support their own children and others as they won awards throughout the evening.

This week we have the Varsity College Annual Sports Awards at Bond University. This event has evolved into a key event on our College calendar and this year we have Karina Brown as our special guest. She represented Australia in our successful 2013 Rugby League World Cup Championship Team. I am sure that she will be able to offer some incredible insights into playing elite sport at this level and the dedication and determination that is required to succeed in sport. I look forward to seeing many of you at this evening.

This week is the last week of learning for our year 12 students. They have lots of assignments and work to complete prior to their final tests next week. It is a long year, but for these students the last few days of their formal education can often seem a little surreal. Every other year they have the expectation that they will roll up to school again next year, but this time they won’t. It is just over two weeks until they have their final graduation and formal which signifies the end of their schooling. As a school we wish these students well in their last few lessons and hope that they all enjoy the last experiences of being a secondary school student wearing a school uniform.

There has been some concern raised over accommodation for students at Varsity College in 2014. The school has identified the staff and classroom needs for 2014 and we are currently in the process of ensuring that these requirements are met. I can assure all parents and members of the community that Varsity College is currently sitting in a very enviable position of having two major building projects, one for each campus currently being developed. The future of this school is well catered for in these plans and I am absolutely sure that when the Varsity College community sees the plans of the amazing new facilities that all doubts will be quickly erased. I will be making announcements and having parent information meetings later this term to show parents the latest plans.

The Varsity College administration team is in the process of finalising our program for 2014, in particular our IT devices. This is a complex process as the quality and performance of these devices is critical to the overall success of our learning program. We will let everyone know very shortly the process for student changeover of machines and buy back options. We know the Varsity College 1:1 program makes a considerable difference to the learning of students and ask that you remain patient while we make the final decisions related to our hardware choices for 2014.

Jeff Davis
Executive Principal

JUNIOR SCHOOL NEWS

Primary Campus News

Huge congratulations to students, staff and parents on the wonderful success of Camp Rock. All performances were exceptional and demonstrated our students’ love of performing and excelling! The three performances were so well supported by our school community, and we truly appreciate everyone’s efforts in making this event so memorable – thank you.

The Year 6 camp at Lake Ainsworth was a success with students participating in a range of outdoor activities from sailing to cook outs. Our thanks to staff whom attended and supported our students whilst on camp. Please enjoy the article following.

The swimming program is well under way in the Primary School and we thank parents for their assistance in ensuring students are organised for their sessions.
For many of us, finding new apps has become a creative pursuit. One that could be a life saver is the Australian Red Cross app which has just been released free for smartphone users. The app guides users through the correct response for many incidents including heart attacks, strokes, diabetic episodes along with the more common burns, sprains and strains.

The app is easy to use and features vital life-saving information, videos and quizzes to test your first-aid knowledge on correct treatments for children and adults. Learning the skills to save a life through first aid training is one thing, but remembering what to do when under pressure is where this first aid app can help most. This new Smartphone app is available from www.redcross.org.au/first-aid-app.aspx or the Google Play and Apple app stores.

Teachers celebrated World Teacher’s Day last Friday with certificates of milestones presented to staff members, whilst enjoying a wonderful morning tea provided by the P&C. Congratulations to recipients of the certificates and our thanks to the P&C.

Year 6 Camp – Lake Ainsworth, Lennox Head

From the 16 to 18 October, around 100 Year 6 students travelled by bus to Lennox Head to attend a 3 day, 2 night camp at the Lake Ainsworth Recreation Facility. For many students this was a first time experience of being away from family and there were a number of very excited but nervous campers.

We had wonderful weather apart from some rain on the last day and the student’s behaviour for the most part was exceptional. The activities were run by extremely competent and positive camp staff and included bike riding, archery, campfire making and cooking damper, rock climbing, ropes course, beach walking, swimming, canoeing and sailing.

Students enjoyed healthy nutritious meals and took turns being on duty setting tables and washing up. They slept in cabins with their friends and enjoyed night time activities including a country fair and indoor games.

Many memories were made and the whole experience of accepting a variety of challenges will no doubt stay with the students for a long time. Thank you to the staff who accompanied the Year 6 group and ensured everyone returned to school safely.

Classes for 2014

In preparation for student class placement for 2014 we would like to extend an opportunity to parents/caregivers to raise any concerns you may have regarding your child and their placement for 2014. Information must be provided by letter and delivered to Administration.

Please note this information will be taken into consideration, but is not a guarantee of action. Submissions will only be accepted until Friday 15 November and should not include requests for specific teachers.

Preparatory Year for 2014

A warm welcome to our new families who have participated in Making Connections and discovering the wonderful educational experience Varsity can offer. Parents have attended an Information Session and are now encouraged to ensure their child is booked in for screening and the transition session.

Chinese Pre-Immersion Program - Year 6 2014

A very informative session was held for parents on Wednesday, 23 October at the Senior Learning Centre. Student selection into the program will now commence with parents and students notified in the coming weeks.

Applications for external students are still available with Expression of Interest packages available from the Junior School Office.

From the Campus Director

The Annual Varsity College Secondary School Awards Night was held on Thursday, October 24. The evening was a wonderful opportunity for the school to showcase and congratulate the amazing academic achievements of our students. Congratulations to all students who received awards at this event and I would also like to pass on a big thank you to all staff and community members who contributed to the success of the evening.

I am sure I speak on behalf of the Varsity College community in wishing all of our Year 12 students the very best with their final exams that will take place in week 5 of this term. This is a huge milestone for these students as they near the end of their schooling experience. Week 6 end of year activities for our Year 12 students include the Graduation and Formal, as well as a school based celebration program.

Two weeks ago, the Middle School Club Sport Program commenced with students engaging in a range of sporting options including basketball, rowing, fishing, water aerobics and surfing. The program runs for seven weeks and is a great opportunity for students to increase their skills in a program of interest.

In preparation for the 2014 school year, there will be a number of opportunities for both students and parents to engage in transitioning programs. Recently an information session was held for current Year 9 students and parents regarding Year 10 subject selection. In week 5, an information session will be held for current Year 6 students going into Year 7, as well as an opportunity for current non-Varsity students and their parents coming into Year 8 and 9 next year. Towards the end of the term, students currently in Year 7 to 9 will also have the opportunity to engage in a transition program that will allow them to experience the 2014 learning environment.

Selection processes are underway for current Year 7 to 9 students to enter the Academy of Mathematics and Science for the 2014 school year. Selection of students will occur over the next two weeks with applicants notified once all data has been analysed. Students will be selected based on previous school assessments, NAPLAN data, the Academy entrance exam, as well as the entrance application.

2014 College Captains

Congratulations to our newly elected College Captains and Prefects for 2014.

More ICAS Success!

University of NSW ICAS competition results in English and Mathematics have arrived. While all participants are to be commended, special mention goes to the following for their outstanding achievement:

**Year 7 Mathematics:**

- Distinction- Jessie Jong, Jordan Lim
- Credit- Charlotte Hammans

**Year 8 Mathematics:**

- High Distinction- Joshua Bell, Kenton Lam (top 1% in Qld)
- Distinction- Julian Sunde, Sophie Tomassen, Lauren Hassell
- Credit- Ya Nan Chow, Jason Hassell, Teresa Lu, William Pieper

**Year 9 Mathematics:**

- High Distinction- Tiffany Hammans (top 1% in Qld)
- Distinction- Mi Pil, Yutai Wang, Ivy He, Ivan Poon
- Credit- Zandra White

**Year 10 Mathematics:**

- Distinction- Derek Lay
- Credit- Keris Lay

**Year 11 Mathematics:**

- High Distinction- Rachel Tomassen (top 1% in Qld)
- Credit- Kurt Kwan Cheung

**Year 7 English:**

These are truly outstanding results in a competition that attracts the elite students from South-East Asia. Congratulations to all participants – certificates should be distributed at upcoming assemblies.

Mark Buzolic  
Head of Department, Enrichment

Varsity’s Very Own Justice League

The Year 11 Ambassadors have been hard at work over the past term. The motivated team began the term through taking part in the annual Royal Children’s Hospital’s Christmas in July fundraiser. The team gathered gifts with the support from the Senior Campus (Year 7-12) and the response was overwhelming. The gifts were delivered by four Year 11 Ambassadors; Lily Hughes, Nikola Nenadic, Annabel Wingate and Jessica Brocket.

The ladies met with the Hospital’s Services Manager Nicky Van Dyke, were given a tour of the Wonder Factory and were able to meet some of the truly inspirational children at the hospital. The gifts that Varsity College students donated were distributed at the Christmas in July event to the patients and their siblings at the Royal Children’s Hospital in Brisbane; bringing smiles to all.

The ambassador group’s next fundraiser was the Cookies for Cancer fundraising event which raised money for the Australian Cancer Council. The ambassador group baked over 200 chocolate chip cookies and then set up shop in the orange quad. With the help of a very hungry and generous cohort every last cookie was sold! The money raised went towards assisting the Cancer Council in their ongoing and vital research to cure cancer.

The Varsity College year 11 ambassador group would like to thank the Varsity College students and parents for their continuing support which enables these fundraisers. Without the ongoing help from the Varsity College community the ambassador group would not be able to reach out to local and wider community charities. Ms Sirett and the college would like to thank the ladies behind these events, you are truly inspiring leaders.

The final activities for the term was assisting in staff in feeding the Year 12 students undertaking the QCS test and showing the Year 5 and 6 students the Senior Campus.

Each year we ask the Year 11 students to volunteer to help the QCS support team to provide breakfast and lunch to the Year 12 students undertaking the QCS over two days. This involves some students arrived before 7am on Tuesday and Wednesday to help set up and serve food breakfast to the nervous Year 12’s.

Others assisted by spending spares organising the lunch for the hungry seniors. The staff appreciated your positive attitude and organisation skills. The many greasy dishes were even done without a word or complaint. I am sure this activity gave you an insight into what you are in for next year. The Year 12 students also want to pass on their thanks for your assistance.

The Year 5 & 6 students came to the senior campus as part of the orientation activities for their move next year. The Year

11 students acted as proud tour guides providing the younger students with a personal tour of the college. From all accounts this was helpful in building a confident start to transitioning into Year 6 & 7 next year.

Lily Hughes & Ms Sirett

Pictured above from left: Nikola Nenadic, Jessica Brocket, Nicky Van Dyke, Annabel Wingate and Lily Hughes at the Wonder Factory

Leconfield Jackaroo/Jillaroo School Camp

What an amazing adventure we had! Our group of 19 little cowgirls accompanied by Mr Paul Haydock and Ms Tracee Steele began their school camp at 7am on Sunday morning. We drove for 12 hours with regular toilet/rest/food stops along the way. As we ventured further south, the weather cooled considerably. We arrived at our destination in the dark where we were greeted by our lovely hosts, Tim and Courtney Skerrett.

We started our days at 6am with coffee, toast, cereal and porridge cooked on the camp fire before going up the hill to collect our horses at 7:30am. Then we had to groom and saddle our horses (this part got quicker as we became more experienced). We had been matched to our horses by our experience levels and each student quickly grew to love their trusty steed. We were split into two groups with one group doing their Natural Horsemanship lessons and riding in the morning and the other group doing a variety of farm activities.

We came together for lunch then the groups swapped over.

We didn’t ride on Wednesday as it was fencing and pasture management day although we still had a Natural Horsemanship lesson in the morning. We hopped into the back of the Utes and ventured out to the back of the neighbour’s property to check the fences. We managed to clear two 40m high gum trees that had come down on the fence during the fires the previous November and we repaired and reconstructed over 1.5km of fencing. I cannot over-stress how proud I was of my group of teenagers on this day. They worked so hard. Tim commented that they had never gotten so much fencing done by any group (mostly European backpackers) that had worked at the property. They have set the bar pretty high for any group following them.

On Thursday we mustered cattle and practiced our lassoing and cattle wrestling skills. We were also extremely fortunate to be able to witness a calf being born. The whole birth process, clean up from mum and getting up to walk away only took an hour. What an incredible sight to witness. Not surprisingly, my little cowgirls took it all in their stride.
Friday was an interesting and emotional day for many of the girls. Some threatened to tie themselves to trees, some were going to run into the paddocks and go into hiding and some were just plain miserable – they didn’t want to leave. We played great games with the cattle on horseback and we all got to go for a trot and a canter. I was so proud of these wonderful young ladies. Not only had some of them gotten on a horse for the first time on Monday, but by Friday they had started to communicate with their horse and develop a beautiful bond as well as have enough control to ask their horses to trot and canter for them. Amazing!!

I think it’s safe to say that the Leconfield Jackaroo/Jillaroo School Camp was a resounding success and I can’t wait for next year. I know some of the girls will want to go again.

Lily Hughes wins first state medal for Varsity College Rowing.

Varsity College Rowing recently competed in the Queensland Schools Rowing Championships 2013 at Bucca Weir. While the team had competed in many previous championships, no medals had been won. These championships were going to be different with our most senior rower, Lily Hughes, winning two bronze medals in her double and quad races. Lily was supported by her sister, Hunter, as the coxswain in the quad.

The entire Varsity College Rowing team performed superbly over the championships with many individuals and teams making the finals and semi-finals. The team are looking forward to next year’s championships as they are all eager to bring home more medals. The results for the Varsity College Rowing team for the Queensland Schools Rowing Championships are below:

ACROSS CAMPUS NEWS

P and C Thankyou

The special education unit would like to thank the P and C for kindly purchasing 8 ipad mini’s and accessories for assisting with curriculum delivery. These devices will also support Varsity Structured play programs as well as a host of other programs. P and C’s generosity will enable better learning outcomes for all.

Finance Offices End of Year Closing Date – 2 December 2013

Varsity College Finance Offices on the Junior Campus and Senior Campus will be closed for 2013 from Monday 2 December 2013. Internet Banking will be available 24hrs.

The last day for trading for 2013 will be Friday 29 November 2013.

Internet Banking

This option is via Internet Banking directly into the College’s bank Account. To ensure payments are allocated to the correct student it is vital that Parent/Caregivers insert their child’s EQ ID number (11 digits) in the reference field of the banking screen.

If a payment is received and cannot be matched with the relevant activity the amount paid will be applied to the student’s oldest debt.

Parent/Caregivers are encouraged to retain a copy of their internet receipt as evidence of payment made as the College does not provide receipts.

Important information to parents with Students leaving Varsity College

To assist with planning for the 2014 school year, we ask that families who will not have their child continue their enrolment at Varsity College next year to inform the Middle School Office of their future intentions. We also ask that families who know of associates who are intending on enrolling their child for next year also contact the Enrolment Department situated in the Middle School Office to commence their enrolment processes.

Saturday Appointment days

The Uniform shops will be open on the following Saturdays 9.00am – 1.00pm BY APPOINTMENT ONLY

Prep/Junior

Saturday 16th November 2013 please phone Paula on 55769308 to make an appointment

or

Mid/Senior

Saturday 23rd November 2013 please phone Nicky on 55623512 to make an appointment.

On these days we can only accept payment by EFTPOS – NO CASH OR AMEX.

Back to School 20th - 31st January 2014

Volunteers are needed 4 hours per day, Monday – Friday or whatever days you can manage. Back to school is a very busy time and without volunteers it would be impossible. There is an incentive payment made to those who help.

Please contact Nicky or Paula on the above numbers.

Telephone Credit Card purchases of Uniform

It is possible to purchase uniform items over the phone which can be collected from the uniform shops or the school office. Purchases can be made by contacting the uniform shop during the opening hours or by leaving a message out of hours.

During busy times when we cannot get to the telephone a message can be left and we will contact you as soon as possible.

Junior School – 5576 9308
Senior School – 5562 3512

Gold Coast Hospital and Health Services – Oral Health Services

Oral Health Care Matters

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Medicare Teen Dental Scheme Vouchers?

Good oral health care is important for young people. The government has provided Medicare Teen Dental Scheme Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care. Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria is met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.
If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet your child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods.

For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.
