

# Fees & Charges for Students

## Repairs

Please refer to the following table for tablet repair excess fees:

	No Physical Damage	Some Physical Damage	Significant Physical Damage	Terminal Physical Damage
	The tablet is in a good physical condition with only minor evidence of 'wear and tear' from general, day-to-day use (ie. scratches, small marks and dints but no snapped casing). There is no evidence of student negligence or vandalism.	There is some evidence of student negligence or mistreatment. Physical damage is beyond general 'wear and tear' expectations. The device would require service under the manufacturer's Accidental Damage Protection (ADP) policy.	There is conclusive evidence of serious student negligence or mistreatment. There is physical damage (ie. cracked casing, cracked LCD) to more than two components. The damage is still, however, covered under the ADP policy.	The device is damaged beyond repair through physical mistreatment or negligence. The device is not covered under the manufacturer's Accidental Damage Protection (ADP) policy and a full unit replacement will be necessary.
