

Student Resource Lists

Prep to Year 12 | 2024

Introduction

In accordance with the *Education (General Provisions) Act 2006*, the cost of providing instruction, administration and facilities for the education of students enrolled at State schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.

Parents however are directly responsible for providing textbooks and other resources for their children while attending school.

In recognition that these costs can be high, Varsity College provides an optional service to assist parents with the cost of these educational resources, known as a *Student Resource Scheme* (SRS). The college SRS incorporates resources, texts and consumables including a laptop program with technical support, software, and insurance.

Participation in the college Student Resource Scheme is strongly encouraged. The scheme provides outstanding value for money as the college purchases in bulk to secure the best prices which, in turn, enables the SRS fees to be kept as low as possible. Participation in the scheme provides access to textbooks, resources, notebook computers, and other resources and consumables.

A copy of our Fee Schedule can be found on our website (www.varsitycollege.eq.edu.au).

All full-time and part-time students (with the exception of some international students) are entitled to a Textbook and Resource Allowance to offset the cost of textbooks and education resources. For parents who choose to participate in the SRS, the allowance is already provided for in the SRS fees. Parents who choose not to participate in the SRS however, are entitled to have the allowance paid to them directly.

Should a family choose not to participate in the SRS, the parent/caregiver is responsible for purchasing and providing those resources for their child whilst they are a student at Varsity College.

The purpose of this document is to outline the required resources for each year level and/or secondary school subject. Indicative retail prices are also included to assist parents/caregivers in making an informed choice, should they be considering '*not participating*' in the SRS. Please also note, that personal devices (laptops, smart phones, tablets etc) are *not permitted* to access the Varsity College network.

We trust that the information provided in this document, affords parents/caregivers the opportunity to make an informed choice that best meets the needs of their family.

Nigel Hughes
Executive Principal

Notes to be read in conjunction with this document

¹ Device prices quoted indicate the initial outlay

Students will also have access to general subject resources that may vary due to unit plans and curriculum constantly being updated to ensure the students are provided with the latest 21st Century learning experiences.

Students on an Individual Curriculum Plan (ICP) will be allocated resources according to their individual needs from the Support for Learning department. Parents wishing to purchase independently and not via the SRS, please contact Greig Bradley (Deputy Head of School – Support for Learning) for an individualised resource list for your child.

Prep Student Resource List

School Resources	Cost
Printed worksheets prepared by teacher	\$50.00
Home Readers/Chapter Books/Decodables: Prep - range of publishers and decodable sets Year 1 – range of publishers and decodable sets Year 2 – range of publishers and decodable sets and series level 15 - 30 Year 3 – range of publishers and decodable sets and series level 15 - 30	\$1,590.00
Class Readers/Decodable Chapter Books: Prep - range of publishers and decodable sets Year 1 – range of publishers and decodable sets Year 2 – range of publishers and decodable sets and series level 15 - 30 Year 3 – range of publishers and decodable sets and series level 15 - 30	\$954.00
Science Resources (MTA Science Kit including magnifying glass, mirrors, ice trays, eye droppers, & petri dishes [Year 3 only]) & consumables for science experiments	\$200.00
The Arts Resources (including easels, hot glue gun, clay tools, painting value kit) & consumables (eg. paint, glue, glitter, paddle pop sticks, & various other collage materials)	\$300.00
Mathematics - MTA Maths Kit including (MABs, number lines, dice counters, timers, geometric solids, plastic money, measuring scales, measuring tapes, unifix cubes, fraction games, clocks, hundreds board, mini whiteboards, place value charts, measuring tools)	\$500.00
