School Chess Program for Varsity College 2017

Coaching details for Varsity College

Coaching day & time: Tuesday 2:50 - 3:50pm

Please collect your child promptly at the end of the lesson or late fees may apply.

Venue: The Lense Building

Cost per term: $93 per student for term 1 or $332 for the year if paid by 21st of February (a saving of $40)

Start Date: Term 1 — Tuesday 7th February - 28th March

To register and pay for your child/ren please go to our secure website www.gardinerchess.com.au and click on the ‘parents’ icon. You then need to create a new account and follow the instructions.

If you already have an account, please log in using your username and password. Once your dashboard comes up click on student coaching, new enrolment, then select the new term, add to cart and checkout.

Please list any medical, custodial or other factors of which we need to be aware when you are completing your child’s enrolment. Once you have enrolled and paid for your course, please send them along to the next scheduled lesson.

Under no circumstances will our coaches be able to accept payment.

For families with three or more children attending and those starting part way through the term please contact our office directly on 07 5522 7721. This also applies to families who are unable to enrol via our website.

This chess program is designed to be ongoing from term to term. Payment for each subsequent term will be required at the beginning of each new term.

Unless there are extended absences, where special allowance may be made by written request, we will require the full fee to be paid. The fee is based on a full class of students, and no allowance can be made for occasional absences.

Please note: if your child has not been registered and fees paid, online or over the phone on 07 5522 7721, after 2 weeks of starting the program, he or she will be unable to attend further classes.

* New in 2017! *

Gardiner Chess is excited to announce that all Term enrolments will now include Gold Membership to ChessKid.com!

This membership allows kids to continue their chess learning at home with online Lessons, Videos, Puzzles, Training, Tournaments, Stats, Chess clubs and Game archives

Numerous studies and researchers have shown that chess has the ability to:

1. Raise a person’s IQ
2. Provide exercise for the brain
3. Increase creativity
4. Improve memory & concentration
5. Improve problem solving, reading and social skills

But most importantly,

CHESS IS FUN!

My name is Richard Neale. I am a fully qualified chef with over twenty five year's industry experience in Australia and abroad. I am extremely passionate about food and cooking and I wish to use this passion to teach young children how to cook.

The Kids Cooking Academy is offering after-school cooking classes for primary school students. The classes will not only be fun, they will provide students with an unforgettable educational experience.

Children love to cook and when given the chance to be involved they flourish. Empower your child to make the right choices about food and their diets by enrolling them in cooking classes at Kids Cooking Academy.
