

Investing for Success

Under this agreement for 2017
Varsity College will receive

\$951,930*

This funding will be used to

- Improve student literacy performance across Varsity College as per NAPLAN results in years 3, 5, 7 & 9 and year 12 literacy outcomes
- Improve student numeracy performance across Varsity College as per NAPLAN results in years 3, 5, 7 & 9 and year 12 numeracy outcomes
- Achieve student gains in literacy and numeracy skills through the use of digital platform and applications, IT and online resources, targeted intervention & education support, numeracy and literacy specific projects
- Reduce behaviour incidents in 'at risk' student groups with increased engagement and improvement in learning
- Improve students literacy and numeracy outcomes through 100% use of outdoor and physical learning environments
- Facilitate teacher development by building collective capacity and transforming pedagogy and teacher coaching

Our initiatives include

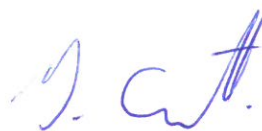

- Provide targeted intervention for students identified at all ability levels with personalised programs to maximise their achievement and growth in both literacy and numeracy
- Provide teachers with data based intervention strategies and equipment to support the development of individual learning plans for students at all levels
- Continue to build teacher capacity in dealing with learning through different mediums such as ICT, play base curriculum, and the use of outdoor learning opportunities
- Develop the support network available to teachers and students within the classroom and at home

Our school will improve student outcomes by

Literacy & Numeracy Software Packages	\$ 50,000
